Store Consultant Declaration *(To be completed by the store/sales consultant)*

I am aware of the MTNSA Complete Stock Return's Policy and understand that all costs incurred by MTN relating to Device Returns will be borne by the store I work in if the claim is incorrect or fraudulent. Failure to complete this form in full will result in the claim being rejected with charges.

I, _____ (Store Agent's Name & Surname in full) **hereby confirm that the details specified (device details, condition & defect) was submitted for an assessment to MTN on Ref No: _____** (Siebel/Collection number)**, Subject to strict adherence to the MTN SA Complete Stock Returns Policy and the Manufacturer Limited Warranty Policy.**

NB: OBF, Defective Goods (WA) & CPA returns that do not meet the criteria for a valid claim should not be accepted or returned under these collection types. This includes OBF, Defective Goods (WA) & CPA devices that have been previously assessed & rejected, in these instances only the repair option would apply.

I acknowledge that the In-store 1st line checks have been conducted in accordance with the checklist provided in section F and Customer Returns Document (CRD) Terms and Conditions.
Failure to complete the In-Store 1st Line Checklist accurately and in full will result in the claim being rejected. All costs incurred by MTN due to false declarations or incorrect application of the checklist will be borne by the store I work for should the device condition not be accurately recorded.

The In-Store 1st Line Checklist serves as a control when accepting or receiving a device for return from the customer for Repairs, OBF, Defective Goods (WA), CPA or FTU Cancellations.
I acknowledge that I am aware that validation of device defects and condition is subject to an assessment by the respective manufacturer (OEM) in accordance with MTN T&C's, OEM processes & the Manufacturer Limited Warranty Terms and conditions.

Note: Dishonesty, fraudulent claims and false declarations is an offence in terms of the company/store policy.
